Card of Thanks

I want to thank the many friends and relatives who visited me and sent cards and gifts during my stay in the hospital and since my return home. Nell Thrasher. 5-11-1tp

I appreciate the confidence, support and vote of all of my friends who helped elect me to the Appomattox Town Council on May 2nd.

I'm looking forward with pleasure to working for you and with you. Maurice E. Gordon 5-11-1tp

The Redding family would like to express their thanks to all persons who remembered them with cards, letters, telephone calls and the many other deeds of kindness. 5-11-1tp

I would like to thank all the people that voted for me and to assure you that even though I will not be in the town government I will still work for you and the community in any way I can.

Ralph M. Hamlett 5-11-1tp

In Memoriam

In memory of Hazel L. Campbell, who passed away May 1, 1973.

The depths of sorrow we cannot
Tell of the loss of one we loved
so well,
And while he sleeps a peaceful
sleep, his memory we shall
always keep.

PUBLIC NOTICE

PUBLIC-Please take notice on the 1st day of July, 1978 the undersigned will apply to the Virginia Alcoholic Beverage Control Board for license to sell wine at Harvey's Market, Pamplin, VA.

Said beer and wine to be consumed off Premises.

William R. Harvey 5-11-1t

Notice is hereby given that the Appomattox Town Council and the Appomattox Planning Commission will hold a joint public hearing on May 25, 1978, at 7:30 p.m., to allow citizens of the Town of Appomattox and any and all persons to express their views on the proposed change to the Appomattox Town Zoning Ordinance from R-1 to R-2, the property fronting on the south side of Court Street, from Virginia Avenue, north to a point 300 feet north on Court Street from Ferguson Street. This area is the depth of the lots facing Court Street.

Also the Town Council and Planning Commission propose a new definition to be added to the Appomattox Town Zoning Ordinance for professionals.

The definition is:

Professional: When used in connection with "use" and "occupancy" a use or occupancy by persons generally engaged in rendering personal, executive, sales or administrative services or activities, including accountants, architects, professional engineers and surveyors, doctors, lawyers, insurance offices, real estate offices, religious organizations, stock brokers, and administrative agencies considered professional in character. The term, however, does not include repairs or sales of tangible personal property stored or located within the structure nor any use which would create any loud noises or noxious odors. 5-11-2tc

Little-Known Facts About Translating The Bible

By Dr. Eugene A. Nida

Dr. Nida

Q. Please give us a little of the history of Bible translation.

A. Well, right now, there is more translating of the Scriptures than at any time in the past 2,000 years.

When the Bible Society movement began around 170 years ago, only 72 languages had any part of the Scriptures. Today there are over 1,600 languages, but a great many of these do not have a complete Bible—in fact, only some 260 of them. Somewhat over 400 languages also have a New Testament, but the majority have only a Gospel or two.

But there are at least 1,000 more languages that have *nothing* of the Word of God, and in which the Good News about Jesus Christ should be published, even though they represent less than 3 percent of the world's population.

So you, see, we have our work cut out for us. Not only do we have to complete translations of the Bible for a lot of the world, but translations also have to start from scratch with all those new languages. And what's more we are being called upon to update scores of older translations so that they speak in a meaningful way to today's readers.

● *Dr. Eugene A. Nida, a distinguished Bible scholar and one of the world's foremost experts in language, has for over 30 years been in charge of Scripture translations at the American Bible Society, 1865 Broadway, New York, N.Y. 10023.*
